PARKING OPTIONS:

The Wyndham Washington parking garage rates for SMOFcon 22 members are discounted 50% off the normal rates. At the current parking rate, the discounted charge would be \$13 per 24 hours for hotel guests (includes in & out privileges) and \$6.00 per day (without in & out privileges) for non-guests. There is no self-parking. Call ahead (202-429-1700) if you're driving a van or SUV — there are space limitations in the garage and the hotel may not be able to accommodate your vehicle. Public parking is available in the immediate area, but most downtown parking facilities are closed on weekends.
