Program Information

This year's World Fantasy Convention theme, "Dark Fantasy: Honorable Traditions," explores the interplay of diverse traditions in dark and other fantasy.

Programming begins on Thursday at 2 p.m. and ends at 1 p.m. on Sunday, before the World Fantasy Awards Banquet. We expect to have Guest of Honor interviews, and our Artist Guest of Honor will present an illustrated talk. We will have literary and art programming, including serious and humorous items, and there will be a Small Press Roundtable on Saturday evening.

We hope to post a tentative program schedule on the WFC 2003 web site a week or two before the convention; as with any convention, plans are subject to change.

Autograph Reception

The Autograph Reception will be held Friday evening from 8:30 p.m. to 10:30 p.m. There will be no need for authors to sign up in advance to give autographs; all members who wish to sign will have a name tag at the reception entrance desk. No wheeled carts will be allowed in the autographing room. A limit of three signatures at a time will be enforced when an author has a line. Members will not be limited to the number of times they may go through a line (subject to the availability of the author). There will be no other programming scheduled during the Autograph Reception.
